Domestic Telecom, Inc., IDT Telecom, Inc., and        )  
IDT Corporation for Approval of a Transfer of            )  
Control    )

Order entered: 6/13/2001

**I. INTRODUCTION**

This case involves a joint petition filed on behalf of IDT America Corp. ("IAC"), IDT Domestic Telecom, Inc., IDT Telecom, Inc. and IDT Corporation (collectively the "Petitioners") on April 13, 2001, seeking Vermont Public Service Board ("Board") approval, under 30 V.S.A. § 107, for approval of a transfer of control of IAC, a Vermont certificated telecommunications provider, from IDT Corporation to IDT Domestic Telecom, Inc.

On May 24, 2001, the Vermont Department of Public Service ("Department") submitted a letter to the Board indicating that the Department had no objection to the transfer of control. The Department noted that the transaction would be transparent to Vermont consumers and would not involve a change in the management or services of IAC. Further, the Department also had no objection to the issuance of an order without hearing or further investigation, as provided under 30 V.S.A. § 107.

**II. FINDINGS OF FACT**

Based upon the petition and accompanying documents, the Board makes the following findings of fact.

1. IAC, a wholly-owned subsidiary of IDT Corporation, is a corporation authorized by the Board to provide telecommunications service in Vermont. A Certificate of Public Good (CPG No. 176) was issued to IAC on May 11, 1995. Petition at 1.
2. IDT Corporation is not currently authorized to provide telecommunications services in Vermont. Petition at 1.

3. IAC's ultimate parent, IDT Corporation, intends to establish a wholly-owned subsidiary, IDT Telecom, Inc., which will, in turn set up a wholly-owned subsidiary, IDT Domestic Telecom, Inc. Control of IAC will be transferred from IDT Corporation to IDT Domestic Telecom, Inc. Ultimate control of IAC will remain with IDT Corporation. Following the transaction, IAC will continue to operate in all respects as it currently operates, pursuant to present operating authority. Neither the name of nor the terms and conditions of service offered by IAC will be affected by the transaction. Petition at 1-2.

4. Completion of the proposed transaction will serve the public interest in that it will promote competition among telecommunications providers by providing IAC with the opportunity to strengthen its competitive positions and to pursue marketing and business plans more effectively. Petition at 3.

### **III. CONCLUSIONS OF LAW AND DISCUSSION**

The proposed transaction requires Board approval under 30 V.S.A. § 107, which applies to a direct or indirect acquisition of a controlling interest in a Vermont utility.<sup>1</sup> Under Section 107, a "controlling interest" is defined as 10% or more of the outstanding voting securities of a company. Section 107 requires a finding that the transfer of control will promote the public good. This standard is met in this case. The proposed transaction will promote the public good, because the transfer of control of IAC will allow the Petitioners to operate in a more flexible manner. In the competitive arena of telecommunications, the overall effect of this transfer may promote more customer choice in terms of services, with stronger competitors in the Vermont telecommunications market. It should also be noted that the transfer of control will not have an adverse impact on Vermont consumers as IAC will continue to operate according to its present authority.

For all of the above reasons, the proposed indirect, minority transfer of control of IAC from IDT Corporation to IDT Domestic Telecom, Inc., should be approved.

---

1. Approval under 30 V.S.A. §§ 231 and 311 is not required because the current holder of the Certificate of Public Good will continue to be the entity providing telecommunications service in Vermont.

**IV. ORDER**

IT IS HEREBY ORDERED, ADJUDGED AND DECREED by the Public Service Board of the State of Vermont that:

1. The transfer of control of IDT America Corp., is approved.
2. Petitioner shall notify the Board, within one week, upon completion of the transfer of control.

DATED at Montpelier, Vermont, this 13<sup>th</sup> day of June, 2001.
